The screenshot shows a web browser window with the title "Registration Form". The address bar displays the file path "C:/Users/Admin/Desktop/index.html". The main content area features a registration form with the following fields and controls:

- A text input field containing the name "Ashuini".
- A text input field labeled "Enter Email".
- A text input field labeled "Enter Mobile".
- A text input field labeled "Enter City".
- A text input field labeled "Enter State".
- A dropdown menu labeled "Select a Country".
- Two radio buttons labeled "Male" and "Female".
- A text input field labeled "Enter password".
- A text input field labeled "Re-Enter password".

The Windows taskbar is visible at the bottom of the screen, showing the search bar and several application icons.
