# Output:

The screenshot displays a web browser window with a single tab titled "Registration Form". The address bar shows the file path "C:/Users/Admin/Desktop/index.html". The page content includes a heading "Registration Form" followed by a series of input fields: a text box for "Ashwin", a "Enter Email" label with an input field, a "Enter Mobile" label with an input field, a "Enter City" label with an input field, a "Enter State" label with an input field, a "Select a Country" dropdown menu, two radio buttons for "Male" and "Female", a "Enter password" label with an input field, and a "Re-Enter password" label with an input field. The Windows taskbar at the bottom shows the search bar, task view button, and several application icons, with the system clock indicating 12:28.
